

YOUR SUPPORT enables the Foodbank to serve record number of people

The need for help with groceries was at an all-time high in 2023. More than 3 million visits were made to our hunger-relief network. **But in partnership with you and our amazing hunger-relief partners, we distributed nearly 35 million pounds of food, the equivalent of 27.2 million meals.**

As 2024 unfolds, we're excited about our future work. The construction project at the Main Campus in Akron has come to an end, meaning the new Venarge Family Food Pantry & Resource Center has begun to serve families with nourishing groceries and other support services beyond food. Increased food storage capacity and the optimization of our operational logistics through a two-campus infrastructure have set your Foodbank up for success as we head into the new year. We anticipate the needs of our neighbors will remain high, so we appreciate your continued support and kindness.

2023 YEAR IN REVIEW
