

2025 Winter FOODBANK UPDATE

Your Akron-Canton Regional Foodbank, in partnership with its hunger-relief network, provided 31.4 million meals in 2024 – the largest year in the organization’s history.

With more people seeking help with groceries, your support makes all the difference for neighbors struggling with hunger. Thank you for your generosity in 2024!

meals provided by
Foodbank onsite pantries

7,000
neighbors connected
with services beyond food from
Foodbank resource rooms

Every meal has a story. **Meet Barbara.**

Barbara’s health journey has been challenging, but she is resilient and remains positive. At 75, she maintains a strict budget to stretch her fixed income, but at times, it’s not enough. For the first time in her life, she visits a local food pantry for help.

“I’ve been going through so much,” Barbara says emotionally. “This pantry helps me a lot.”
